price list 09

by Gianmarco Blini

cWave pag. 3

cWave spicca per un design innovativo, caratterizzato dalla continuità della sua **forma sinuosa** e dal senso di **leggerezza** ottenuto grazie allo spessore ridotto dell'alluminio e ai piccoli punti di contatto tra le varie lastre e le ali terminali.

***cWave** stands out thanks to its innovative design, characterised by the continuity of its **flexuous form** and a sense of **lightness** obtained thanks to the reduced thickness of aluminium and the small points of contact between the various sheets and the uprights.*

cBox pag. 11

Lavorare o studiare in casa: **cBox**, il contenitore ideale per i vostri documenti e strumenti, trasforma la necessità in piacere, perché oltre alla sua solita funzionalità, può far accomodare un ospite sul suo cuscino applicabile al top.

*Working or studying at home: **cBox**, an ideal container for documents of all kinds, easily transformable in a seat by applying a separate cushion.*

cBox Doppia pag. 15

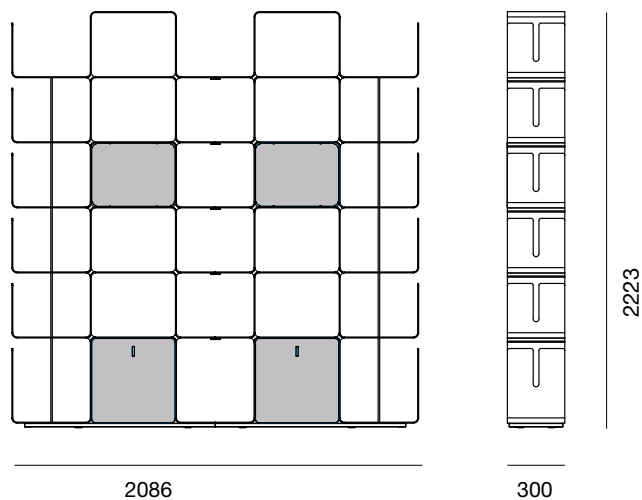

cBox Doppia unisce al design lineare e ricercatamente informale la funzionalità di un mobile contenitore in acciaio, adattabile alle esigenze dei diversi contesti abitativi grazie anche alla possibilità di divenire di volta in volta piano di appoggio o comoda seduta.

***cBox Doppia** unites the practicality of a steel container with the linear refined and informal lines that can be adapted to the requirements of different living areas also thanks to the fact that it can also become a surface to rest things on or a comfortable seat when the need arises.*
