sit.it

Sergio Bellin e Fiorenzo Dorigo

Precisione costruttiva e design accattivante sono gli ingredienti di Sit.it, un classico moderno dove si intuisce la passione e la tecnica che i designers hanno saputo coniugare con grande abilità.

Manufacturing precision and charming design are the main ingredients of Sit.it, a classical modern where you may sense the passion and the technique that the designers matched with great ability.

sit.it comfort air

Sergio Bellin e Fiorenzo Dorigo

Coniugare linee progettuali attuali e senza tempo con il comfort garantito da un sedile imbottito con poliuretano flessibile e da uno schienale che permette di sentirsi a proprio agio in ogni stagione.

Sit-It comfort Air range merges innovative technical solutions and a timeless design with a great comfort offered by a flexible polyurethane foam used for the seat, and by a back which grant to the user to feel good all seasons.

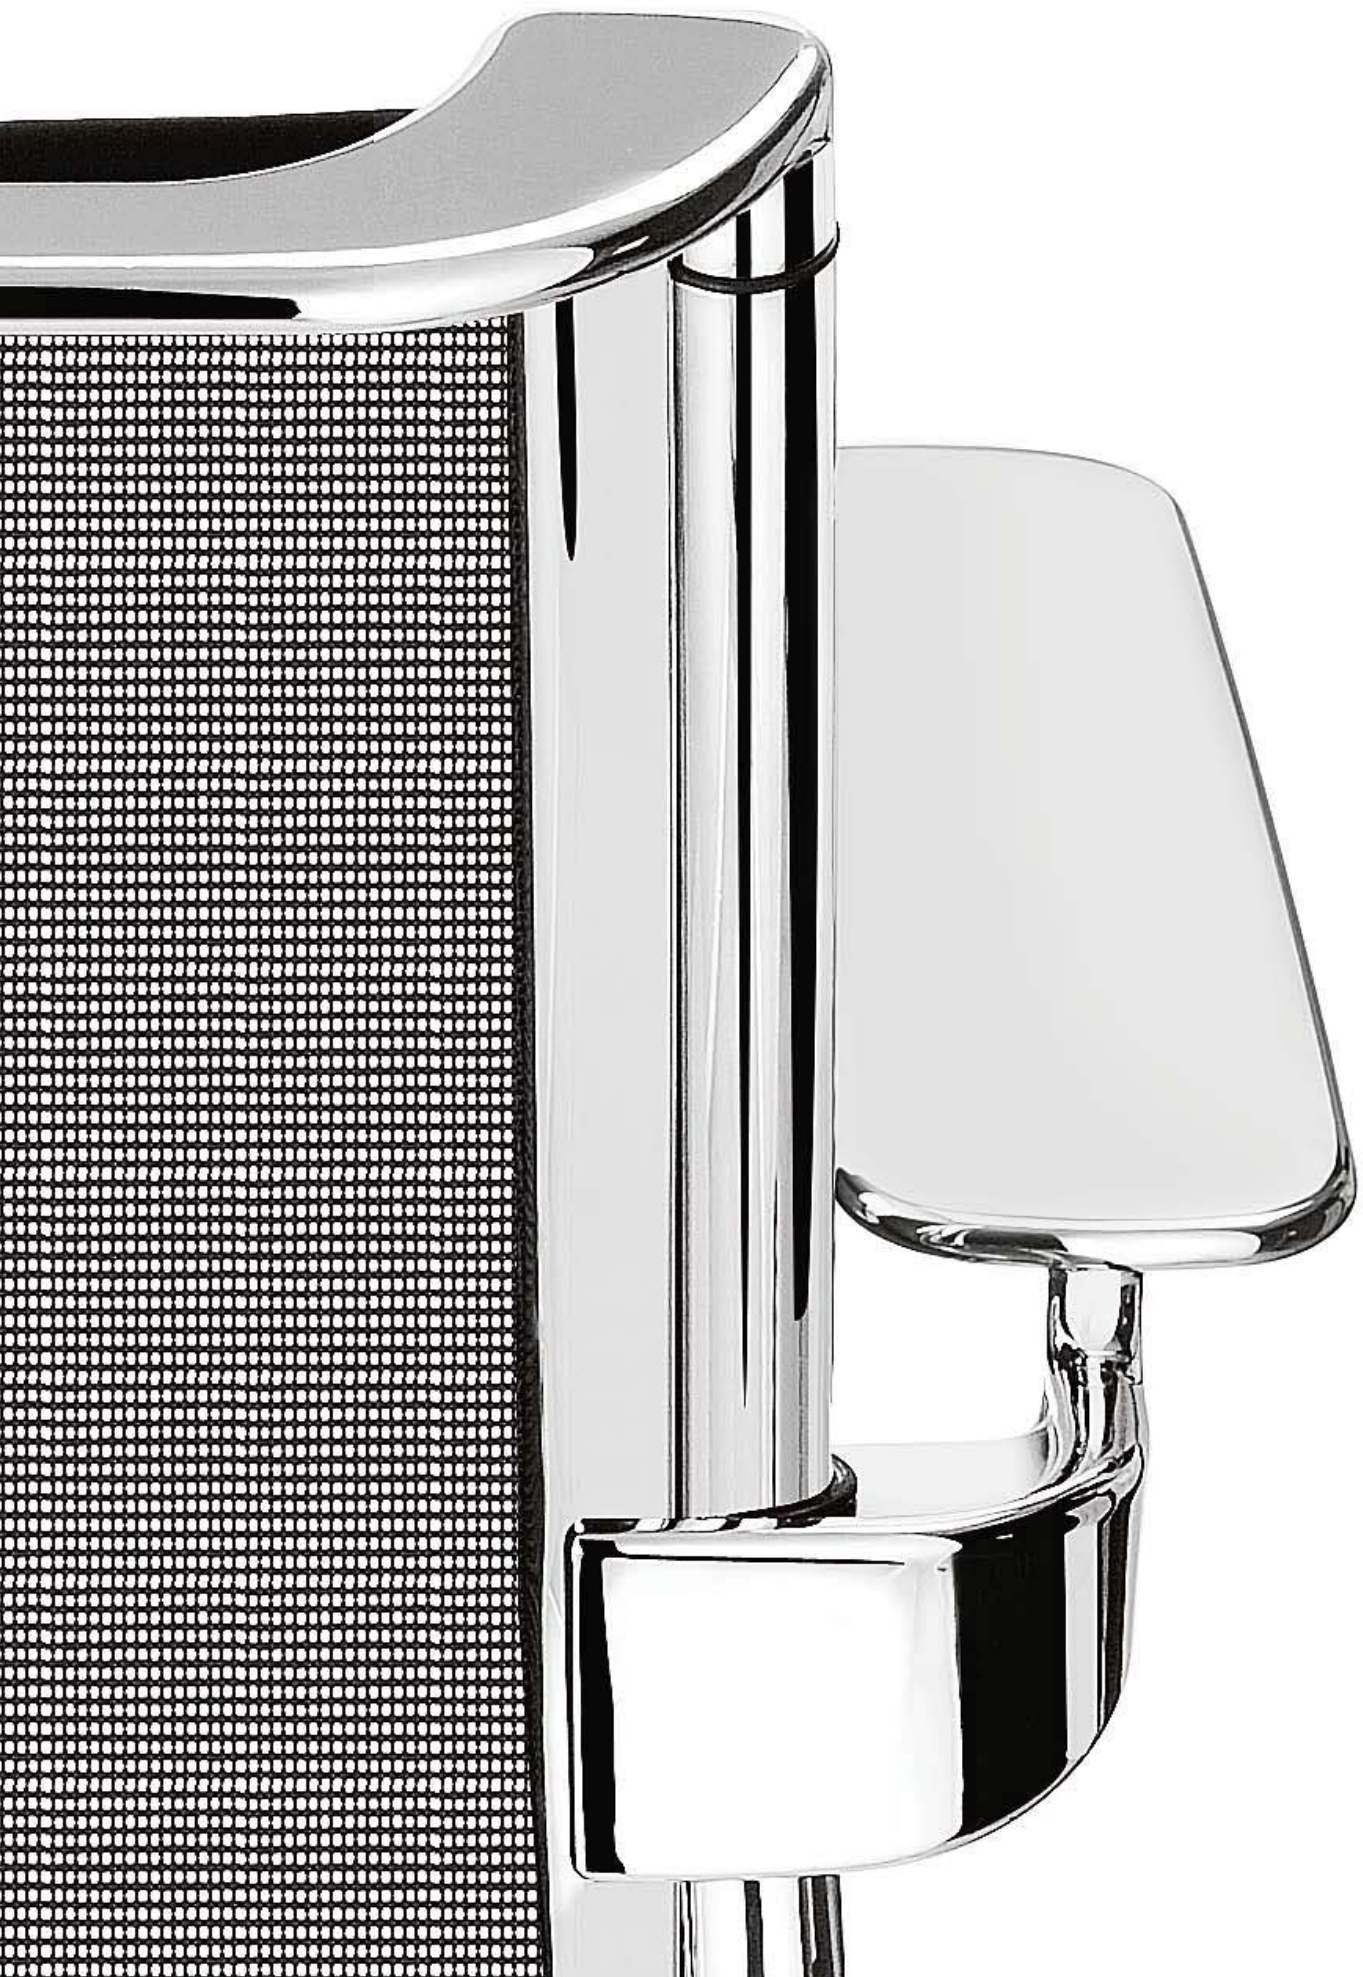

sit.it air

Sergio Bellin e Fiorenzo Dorigo.

Aria, alluminio, acciaio. Un connubio sublime di questi elementi è sintetizzato in questo prodotto bello da vedere, prestigioso da possedere, appagante da usare.

Air, steel, aluminum. The match of those elements is synthesized in this product, nice to see, prestigious to be owned, and that meets everybody's wishes.
