ESSENCE

ESSENCE è la nuova collezione direzionale di Uffix nata da un'idea progettuale ispirata al rigore formale e alla purezza estetica, per collocarsi con coerenza ed equilibrio nell'ambiente di lavoro. Gli abbinamenti cromatici proposti trasmettono un'immediata sensazione di calore ad armonia, grazie anche all'effetto materico delle nuove finiture in melaminico Desert, Honey, Earth e Moka.

ESSENCE is Uffix new executive collection, born by a design idea inspired to formal precision and aesthetical pureness. This collection finds its coherent and balanced collocation in each working place. The proposed colour combinations give an immediate warm and harmonic feeling, due to the tactile effect of the new melamine finishes in Desert, Honey, Earth and Moka.
